

Special Barn Parking Area

Stop by the Ag Expo & Fair Office from July 7 to July 22 during the hours of 8:00 am to 4:30 pm and pick up your Barn Parking Pass.

Any vendors and exhibitors who have displays and animals in and around the barn area and vendor area will have the option of parking in the "Barn Parking" area. Only vehicles that have the numbered "Barn" display adhered on the outside of the windshield will be allowed to park in this area. This area has been created so that people who are working, delivering goods, providing food, hay, straw, equipment, materials, displays, and merchandise can park in a convenient location. You must have a paid general admission pass in order to receive the Barn pass. Your vehicle must be pre-registered with the Ag Expo & Fair Office. Registering your vehicle is for your safety and security. This will allow immediate contact with you in the event we need to move your vehicle quickly due to an emergency.

Please complete the below form and drop by the AG Expo & Fair Office during the office hours of 8:00 am to 4:30 pm. Vehicles require registration for safety, security and protection reasons and ease of contacting the vehicle owner.
