

## Camping and RV Parking

### All campers and RV's must be registered at the Ag Expo & Fair Office.

Stop by the Ag Expo & Fair Office from July 7 to July 22 during the hours of 8:00 am to 4:30 pm and pick up your Barn Parking Pass.

Anyone who will be residing or bringing their camper or RV to the Ag Expo & Fair is asked to register their camper or RV. All campers and RV's will be assigned a registration number and a location for the week of the Fair. Your camper or RV must have a CAMPER number that is clearly displayed on the side of the camper or RV.

Please complete the below form and drop by the Ag Expo & Fair Office during the office hours of 8:00 am to 4:30 pm. Campers and RV's require registration for safety, security and protection reasons and ease of contacting the owner.
